Uniform Dress Code Requirements

The mission of our school is to provide a safe hands-on learner centered environment that cultivates excellence, offers challenges, and embraces lifelong learning for all students.

A uniform dress code is a vital component in the achievement of this mission. The required dress code will help our school to:

1. Create a safe environment free of distractions because of dress
2. Promote school spirit and a sense of campus community
3. Reduce social stratification and fashion statements
4. Improve behavior
5. Eliminate peer pressure
6. Make it easier for school administration to monitor dress policy
7. Lower overall clothing costs
8. Lower rate of school crime and violence
9. Easily identify APA students, especially on field trips
10. Have an overall impact on improving achievement, attendance, and school climate.

UNIFORM AND PERSONAL APPEARANCE

Ambassadors Preparatory Academy has chosen a uniform to help create a safe and orderly environment, instill discipline, and eliminate competition and distractions caused by varied dress styles. You will be expected to arrive dressed in the required uniform every day. Please cooperate, display modesty and neatness, and take pride in these clean, neat and attractive uniforms. We rely on your common sense and your parents' and/or guardians' support in helping maintain this dress code.

PLEASE NOTE...

If a student arrives to school out of uniform, parents will be called. The student will be kept out of classes until he/she is dressed appropriately and all class time missed will count as an unexcused absence. If a student is dressed or groomed inappropriately, parents may be called to bring a change of clothes. Violations of the dress guidelines will result in incremental disciplinary action.
