

PowerSchool has introduced a new Single Sign-On for Parents

Parents will no longer need a separate Username and Password for each student. The new Single Sign-On accounts will give access to multiple students under a single Username and Password that the parent creates.

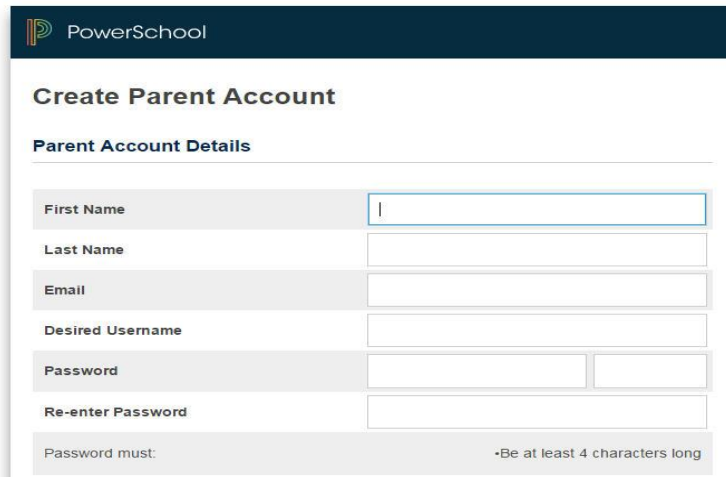

Step 1. Open a web browser and go to <https://apsps.warriorsonline.net>

Step 2. Choose the *Create Account* Tab and click the *Create Account* button -

The screenshot shows the PowerSchool login page. At the top, there is a dark blue header with the PowerSchool logo. Below the header, the page title is "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". The "Create Account" button is highlighted. Below the buttons, there is a section titled "Create an Account" with a sub-header "Create an Account". The text below reads: "Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. Learn more." At the bottom right of this section, there is a "Create Account" button.

Step 3. Fill in your personal information along with your desired Username and Password -

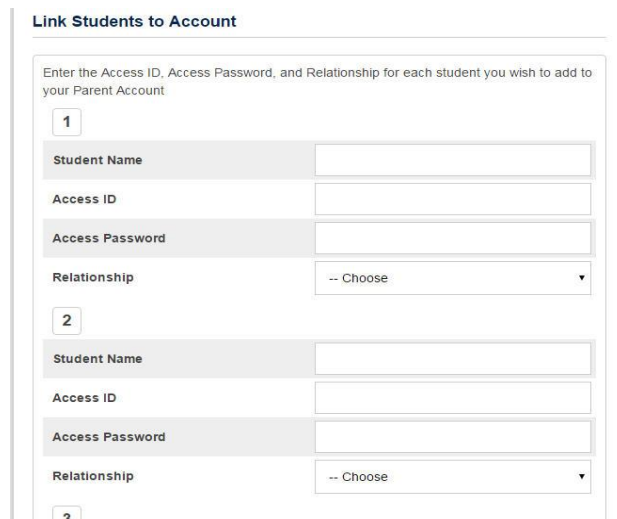

The screenshot shows the "Create Parent Account" page. At the top, there is a dark blue header with the PowerSchool logo. Below the header, the page title is "Create Parent Account". There is a section titled "Parent Account Details" with several input fields: "First Name", "Last Name", "Email", "Desired Username", "Password", and "Re-enter Password". The "Password" field is split into two boxes. At the bottom, there is a note: "Password must: *Be at least 4 characters long".

Step 4. Fill in each of your student's Account Information -

- The **Access ID** is the same as last years Parent Username.
- The **Access Password** is the same as last years Parent Password.

If you do not have the ID or Password for a student, you will need to contact their school. Note: More students can be added to your account later.

The screenshot shows the "Link Students to Account" page. At the top, there is a dark blue header with the PowerSchool logo. Below the header, the page title is "Link Students to Account". There is a section titled "Link Students to Account" with a sub-header "Link Students to Account". The text below reads: "Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account". There are three numbered sections (1, 2, 3) for adding students. Each section has input fields for "Student Name", "Access ID", "Access Password", and a "Relationship" dropdown menu. The "Relationship" dropdown menu has a "-- Choose" option.

Step 5. Press Enter at the bottom of the page

The screenshot shows a dark blue button with the word "Enter" in white text. The button is positioned at the bottom of a form area.
