**RESOLUTION NO. 2009-10/10**

**RESOLUTION FOR ADOPTING THE "GANN" LIMIT**

**WHEREAS**, in November of 1979, the California electorate did adopt Proposition 4, commonly called the Gann Amendment, which added Article XIII-B to the California Constitution; and,

**WHEREAS**, the provisions of that Article establish maximum appropriation limitations, commonly called "Gann Limits," for public agencies, including school districts; and,

**WHEREAS**, the District must establish a revised Gann Limit for the 2008-09 fiscal year and a projected Gann Limit for the 2009-10 fiscal year in accordance with the provisions of Article XIII-B and applicable statutory law;

**NOW, THEREFORE, BE IT RESOLVED** that this Board does provide public notice that the attached calculations and documentation of the Gann Limits for the 2008-09 and 2009-10 fiscal years are made in accord with applicable constitutional and statutory law;

---

- ACSD in the News! The District has been highlighted in several news outlets and programs over the past few weeks as a result of the strong community partnerships we have and the outstanding work occurring in our classrooms. Congratulations to the following:
  - The **Family Oasis** Program's backpack give-away event was highlighted in the August 19 *Anaheim Bulletin*.
  - **Benjamin Franklin** Principal **Maria Villegas** was interviewed for a story on school funding by KOCE Television on September 1.
  - **Horace Mann** and **Clara Barton's** use of ST Math are being featured in a video piece created by the Mind Institute.
  - **Benito Juarez** teacher **Kim Govea** was interviewed by the *Orange County Register* for a September 9 article regarding President Obama's speech to students.
  
- During August, **Horace Mann** held a Jester and Pharley Read-a-thon during the month and a recognition assembly was held on August 26. Barbara Saltzman (the founder of the organization) recognized the achievements in reading for Mann students, and a CHOC hospital representative accepted the donation of books and dolls. It was decided (with the consent from his parents) that the books would be donated in honor of Arturo Davila (a 3<sup>rd</sup> grade student who attends Mann) who is currently receiving treatment at CHOC hospital.
  
- **Thomas James Madison** hosted a STAR Test Results Celebration on September 9, at 10:30 am. The school held an "over-the-top" assembly, continuing their rock star theme from last year to celebrate the hard work and improvement students made on the test.
  
- On September 13, **Orange Grove** hosted a "Revolution Event" at the school from 2:00 to 5:00 p.m. Last February, the same event was held in collaboration with the Anaheim First Christian Church. With the church's assistance, students are invited to participate in a host of activities including face painting, cookie decorating, woodworking, sports activities and other crafts and hobbies.

## **INTRODUCTION**

*Goal setting is critical to the District's success. Dialogue, consensus, and support between Board and staff establish a foundation for working together toward common goals.*

*The results of this collaborative process focus priorities, expenditures, and activities in all areas essential to the District's progress.*

# ANAHEIM CITY SCHOOL DISTRICT

## **ORGANIZATIONAL PURPOSE**

The Anaheim City School District is committed to providing an outstanding education to all students, a rewarding career for all employees, and excellent service to the parents and community of Anaheim.

## **MISSION STATEMENT**

Anaheim City School District provides high quality schools for a diverse student population. The educational program focuses on mastery of skills, enabling students to live productively in a changing society and, in so doing, develop in them responsibility, confidence, and enthusiasm for lifelong learning.

## **VISION**

Together we create a service-oriented culture of excellence where success for each student and all relationships reflect our core values.

## KEY GOALS

**Student Achievement** - *To provide an instructional program that enables all students to reach high levels of achievement and acquire the knowledge, skills, and values needed to become responsible members of a democratic society.*

**Human Resource Development** - *To facilitate the professional growth and leadership development of all employees, create a structure and culture that encourage collaboration and life long learning, and promote an “attitude of gratitude” where all employees feel valued and are valued.*

**Fiscal Resources** - *To demonstrate responsible use of resources in implementing our educational plan.*

**Facilities-Maintenance** - *To provide facilities that meet the present and future needs of students and staff and that create the best learning and working conditions possible; to ensure that facilities and grounds are clean and well maintained.*

**Technology** - *To provide a state-of-the-art technology system for teaching, learning, and management—one that promotes technology literacy in all.*

**Communication** - *To provide systematic, planned, open, and honest communication to both our internal and external publics that builds a better understanding of the role, objectives, accomplishments, and needs of the school district.*

**School-Community Relations** - *To encourage and welcome the involvement of parents and the broader community in the educational process and in the celebration of student and organizational successes.*

**Safe and Secure Learning Environment** - *To maintain a safe and secure environment for students and staff that encourages, recognizes, and supports the development of respect, responsibility, citizenship, fairness, trust, and confidence.*

## I. STUDENT ACHIEVEMENT

**Vision:** The Anaheim City School District provides an instructional program that reflects high expectations for all students and that focuses on mastery of the standards. Rigorous and challenging, this District's curriculum ensures that students become literate, self-directed and interactive learners, proficient technology users, effective communicators, adaptable problem solvers, critical thinkers, cooperative workers, and productive, involved citizens. Instructional practices are well planned, include interactive activities appropriate to students' developmental levels, and support the achievement of every student. Assessment is a natural part of the instructional process and facilitates improvement of teaching and learning.

## II. HUMAN RESOURCE DEVELOPMENT

**Vision:** Quality teaching is the most important factor affecting student learning. Anaheim City School District, therefore, focuses on attracting, recruiting, hiring, training, supporting, paying, and retaining a teaching and support staff that best meets the needs of the District's multi-ethnic student population. Everyone involved in the teaching and learning process has opportunities to participate in appropriate, ongoing staff development activities critical to the improvement of student as well as organizational achievement. Shared leadership is developed, recognized, and respected. Collaboration and shared decision-making opportunities improve learning for all members of the school community and promote trust, commitment, and accountability.

### III. FISCAL RESOURCES

**Vision:** Quality teaching and learning are dependent upon adequate and stable financial resources. The Anaheim City School District, therefore, allocates its dollars based upon the prioritized needs of the District—as reflected in its mission, goal, and vision statements and key performance targets—in ways that best serve its students, its schools, and its personnel. Fiscal resources are managed in a cost effective, accurate, and efficient manner, serve immediate needs, and take into consideration long-range goals. Open communication, user-friendly formats, and high involvement from community, parents, and classified and certificated staff ensure broad understanding of the District's budget and budgeting process.

2009-10 Key Performance Targets	2009-10 Key Performance Indicators
1. Staff will maintain sound budget monitoring practices and expenditure controls.	◆ <i>First and second interim reports that demonstrate budget monitoring and expenditure controls are in place.</i>
2. The District will maintain a three-year positive certified budget.	◆ <i>The District will make necessary reductions to the multi-year budget to maintain a positive certified budget.</i>
3. The District will monitor the budget and projections to identify budget solutions to meet requirements for a fiscally sound 2009-10 budget.	◆ <i>The District will take advantage of flexibility options to maintain a positive certified budget.</i>
4. The District will hold periodic informational meetings regarding the development of the budget, impact of the state budget on the District budget, and possible solutions to maintain a positive certified budget.	◆ <i>Presentations to the Board of Education, AEEA, CSEA, AESMA, PTA, DAC/DELAC, and the Budget Advisory Committee will be made throughout the fiscal year.</i>

## IV. FACILITIES & MAINTENANCE

**Vision:** The Anaheim City School District recognizes the impact facilities have on the teaching and learning process and on working conditions. In an effort to accommodate overcrowding yet provide settings that optimize learning (ending staggered session schedules), the District continues to pursue innovative housing approaches and funding strategies for school construction and modernization. An up-to-date, comprehensive facilities master plan, as well as a study of enrollment trends, asset management strategies, sound budget planning, and flexible scheduling, guide District decision making in the area of facilities. The District follows a preventative maintenance schedule that ensures ongoing, quality maintenance of all facilities.

**ANAHEIM CITY SCHOOL DISTRICT**

**V. TECHNOLOGY**

**Vision:** The Anaheim City School District is closing the gap—the digital divide—between those individuals and communities that have access to Information Age tools and those that do not. Through the addition of infrastructure, wide and local area networks, classroom computers, Internet connectivity, and instructional software, students, teachers, and administrators are becoming technologically literate and responsible cybercitizens. A student information management system provides technology support to staff in the areas of attendance, discipline, record keeping, assessment, and homework. Support for the budgeting, accounting, payroll, attendance, purchasing, and warehousing operations comes from the MIS—Management Information Support—system.

ANAHEIM CITY SCHOOL DISTRICT

**VI. COMMUNICATION**

**Vision:** Effective communication and public relations by Anaheim City School District staff and Board of Education members lead to greater understanding of and support for public education and this school district. The District's *Communications Strategic Plan* outlines various confidence-building communications vehicles used to build trust and credibility with all audiences including students, employees, parents, business and community associates, and the media. A "one clear voice" approach to communication shares the good news about schools and helps staff and community understand the connection between high-quality education and quality of life.

## VII. SCHOOL-COMMUNITY RELATIONS

**Vision:** Committed to developing effective collaborations, the Anaheim City School District encourages the involvement of parents, guardians, and the broader community in the education of its children. Involvement comes in the form of volunteering in classrooms, serving on committees, coordinating services, collaborating on issues, partnering on programs, and participating in training. In a spirit of openness, the District provides multiple opportunities to view and hear from its diverse parent population as well as the public and promote their participation and maintain their support. Programs and activities that emerge from this shared leadership strengthen our children's success, safety, and achievement.

## VIII. SAFE AND SECURE LEARNING ENVIRONMENT

**Vision:** Schools in the Anaheim City School District offer safe, secure, and caring environments that focus on teaching and learning to maximize student potential. High behavioral expectations encourage individual responsibility and accountability and reward positive behavior. Opportunities exist within the curriculum for students and staff to effectively deal with individual differences, conflict, anger, and other threats to safety. Staff, parents, law enforcement, and community members teach positive discipline, model mutual respect and tolerance for racial, cultural, physical, and ethnic differences, and help create climates of cooperation, academic excellence, respect, and safety.
