José F. Moreno visited Melbourne A. Gauer School and spoke of the school's excitement as a result of their STAR test results. Dr. Moreno shared Anaheim Union High School District and Santa Ana Unified School District also passed resolutions supporting the California Dream Act. He has received positive comments from parents regarding the District's support of the dreams of many of our students. Dr. Moreno enjoyed his visit at Patrick Henry School and inquired about plans to repair the playground surface, which is in poor condition. As we progress with plans for an innovative school at Platinum Triangle, Dr. Moreno asked that we keep in mind the creative ideas being considered and look to how we might allow all of our schools to think more innovatively about their programs. Dr. Moreno shared that parents have voiced an interest in full-day kindergarten and would like to investigate its feasibility. He attended a benefit at Delhi Community Center in Santa Ana where sixth-grade Sunkist School student Valeria Zepeda received their *Youth Award*.

Sue Preus congratulated Dr. Moreno on his appointment to the California School Boards Association (CSBA) delegate assembly.
