Good News

C. Good News – Superintendent José Banda

Congratulations to Vanessa Sanchez, Orange Grove School; Ariel Guzman, Westmont School; Asher Lev, Clara Barton School; and Destiny Herrera, Paul Revere School for being selected as our 2012 Spotlight on Youth winners by the Women's Division of the Anaheim Chamber of Commerce. These students were selected for their outstanding volunteer and community service.

The Anaheim Police Department has partnered with Ponderosa School by providing regular school visits designed to build stronger relationships with the Ponderosa community and show students that police officers are an important part of ensuring community safety. This partnership grew out of the school's effort to rally the community around the school as well as Ponderosa's participation in the Hi Neighbor program.

Congratulations to Lety Chacon, vice principal at Abraham Lincoln and Benjamin Franklin schools, for being named Elementary Co-administrator of the Year for the Association of California School Administrators, Region 17.

The Anaheim Outdoor Science Education Foundation golf tournament was a big success, raising over \$20,000 to help send sixth-grade students to science camp.

Facilities/Const.
Update

D. Facilities/Construction Update – Superintendent José Banda

- Abraham Lincoln School: Work is ongoing. Concrete and shop structural steel fabrication is near completion and installation of the various plumbing projects is in progress.

- Melbourne A. Gauer School: Additional open house events have taken place since the main community outreach event. Teams have entered the formal value engineering phase.
- Thomas Edison School: The District has received DSA approval for the interim housing phase. Construction teams have entered the value engineering phase for interim housing while the DSA review is in progress for the new building.
- John Marshall School: The DSA review is in progress.
- Alexander J. Stoddard School: Assessment of the scope of work is in progress and the teams have met to evaluate the estimated costs on the critical trades.

Budget Update

E. Budget Update – Superintendent José Banda

The Governor has signed Senate Bill 81 which rescinds the transportation trigger cut and spreads the cut to all districts through an increase in the 2011-12 deficit factor. The associated reduction for ACSD is \$750,204, an increase from the \$500,000 that was projected in January.

The impact of the mid-year revenue limit trigger reduction, estimated at \$13 per average daily attendance, is \$229,678. The total mid-year "trigger" reduction for ACSD is now \$979,882, which is less than the \$5.1 million projected for ACSD last fall. The District still faces more trigger cuts next year should the tax initiative fail in November.

ACSD's attendance rate continues to climb, reaching 97.1 percent as of last January. Should this trend continue, ACSD will receive \$1 million more than originally budgeted at the beginning of this school year due to increased student attendance.

The Second Interim Report will be presented at the March 12, 2012, Board meeting.

Gordon for his many accomplishments during his tenure. Dr. Moreno requested that a formal letter be sent from the Board and District to welcome incoming president Dr. Mildred Garcia. Dr. Moreno provided a college knowledge presentation at a Ponderosa School PTA meeting and shared in conversation on how ACSD builds systems to help that knowledge become a reality. He commented on an upcoming Board resolution for a Day of the Voter Registration in Anaheim on April 21. This effort has been initiated by Orange County Congregation Community Organization (OCCCO) to increase voter registration amongst our parents. Dr. Moreno also had the opportunity to attend and speak at a community forum to block an Anaheim hotel tax subsidy.

James Vanderbilt spoke on transparency and the ethical position that politicians take into account with community engagements and economic interests. Mr. Vanderbilt shared that he welcomes questions from the community in this regard. In terms of the budget situation, he is hopeful that Dr. Moreno's efforts to enroll voters is successful. He shared that his philosophy for "no" votes on Board items is intended to save money outside of the classroom wherever possible.
