

## **CONFIRMED COVID-19 (POSITIVE TEST RESULTS)**

Staff or student may return to work/school after:

1. 10 days since positive COVID-19 test results (return on 11<sup>th</sup> day)
2. At least 24 hours fever-free without medication and improvement in other symptoms

## **HOUSEHOLD CONFIRMED COVID-19 (POSITIVE TEST RESULTS)**

If anyone in your household has a confirmed COVID-19 test results, everyone in the household is required to quarantine 10 days and may return to work/school on the 11<sup>th</sup> day after, at least 24 hours fever-free without medication and 24 hours without other significant symptoms.

\*\*\*If you have been fully vaccinated or have had COVID-19 in the last 90 days you are not required to quarantine. **DOCUMENTATION MUST BE PROVIDED.**

\*\*\*Symptoms of COVID-19:

Fever	Headache
Cough	New loss of taste or smell
Chills	Sore throat
Shortness of breath	Nausea or vomiting
Fatigue	Diarrhea
Muscle or body aches	Congestion or runny nose

\*\*\*Please contact your school nurse with any questions:
