

11. Insurance. Student may, at Student's own expense, maintain liability and fire insurance and such other insurance as necessary for Student's protection and protection of the Equipment. Failure to carry such insurance will not relieve Student of liability as provided for in this Use Agreement.

12. Assignment or Subletting. Student will not assign this Use Agreement or any Equipment under the Use Agreement, or any interest in the Use Agreement or Equipment, without District's written consent. Student will not give or provide any part of the Equipment to unauthorized users under the Use Agreement without District's written consent.

13. Surrender of Equipment at End of Use Agreement. Student agrees, on termination of this Use Agreement, termination of initiative assigning this equipment, student transferring to another campus, student withdrawal from the district, or at the request of AISD, to return the Equipment at Student's own expense, in good condition, allowing for reasonable wear and tear, and free and clear of encumbrances, to the campus that assigned it or as the District may designate. **In the event the asset is not returned, Student and Parent/Guardian understand that AISD shall report the device missing. After further attempts to recover or locate the device, which could include electronic surveillance and tracking of the device, the property may be declared stolen and further action can be taken by our police department to recover the asset.** Student and Parent/Guardian understand and agree that transfer of the assigned equipment to another student is not the equivalent of surrender of Equipment to AISD, nor does it release Student or Parent/Guardian from responsibility for the district's asset, therefore AISD may have to file a theft report.

14. Entire Agreement. This Agreement embodies the entire agreement between the parties. It may not be modified or terminated except as provided in this Use Agreement or by other written agreement. If any provision of this Use Agreement is invalid it will be considered deleted from this Agreement, and will not invalidate the remaining provisions.

15. Student and Parent/Guardian information workshops. Student and parent/guardian have attended the required information workshops to receive training and orientation on acceptable use guidelines, applicable district policies, cyber safety, and the safe use and general care of the device.

I hereby agree that I have reviewed the terms of this agreement and the information provided in the Student Technology Equipment Assignment Student/Parent Manual and agree to abide by them.
