

CHAPTER 2.00 - SCHOOL BOARD GOVERNANCE AND ORGANIZATION

SCHOOL IMPROVEMENT AND EDUCATION ACCOUNTABILITY 2.25

The Barbour County Board of Education shall be responsible for school and student performance and for developing, approving, implementing, and maintaining a system of school improvement and education accountability pursuant to Alabama statutes and State Board of Education rules. The Barbour County School System shall establish the individual school as the unit for education accountability and shall conform with the provisions of planning and budgeting as required by Alabama statutes.

The system shall include, but not be limited to, the following components:

- I. School improvement plans which are adopted for each system school. Each Barbour County school shall develop and present to the Superintendent, by the date set by the Superintendent, an individual school improvement plan for consideration by the Barbour County Board of Education. The approved plan shall be implemented the next school year.
 - A. The plan shall be designed to achieve the state education goals and student performance standards and shall be based on a needs assessment conducted pursuant to data collection requirements in Alabama statutes.
 - B. The plan shall address school progress, goals, indicators of student progress, strategies, and evaluation procedures, including adequate measures of individual student performance. Also included shall be strategies to improve the school culture.
 - C. The plan for each school shall be approved annually and shall be implemented as a new, amended, or continued school improvement plan.
 - D. The plan shall be developed by Barbour County Board of Education employees in each school in conjunction with an advisory council to include parents.
- II. The Barbour County School System process for initial approval and subsequent annual approval of school improvement plans shall provide for each school improvement plan to be reviewed and approved or disapproved by the Barbour County School System.
