

The Bedford County Board of Education (BCBOE) does not discriminate on the basis of race, color, national origin, sex, disability, or age in its program or activities. The BCBOE offers classes in many career and technical education program areas under its open admissions policy. Specifically, the BCBOE offers admissions based on selective criteria in the following program areas: Automotive Maintenance, Business and Marketing, Health Science, Human Services, Veterinary and Animal Science, Welding and Machining Technology, and Work Based Learning through a separate application process that is nondiscriminatory. For more information about the application process and particular course offerings, contact the admissions office at (931) 684-3284. Lack of English language proficiency will not be a barrier to admission and participation in career and technical education programs. The following people have been designated to handle inquiries regarding the nondiscrimination policies:
