In order that the requirements of various State and Federal laws are met, the following information is necessary for the registration of students in the Berlin Township School District:

1. RESIDENCY REQUIREMENT

If the student is the child of a parent or guardian, or an adult student, whose permanent home is in the Berlin Township School District or if the student is living with a parent or guardian temporarily residing within the Berlin Township School District, even if the parent has a domicile elsewhere — please provide, if possible, TWO or more of the following:

- Property tax bills, deeds, contracts of sale, leases, mortgages, signed letters from landlords and other evidence of property ownership, tenancy or residency.
- Voter registrations, licenses, permits, financial account information, utility bills, delivery receipts, and other evidence of personal attachment to a particular location.
- Court orders, State agency agreements and other evidence of court or agency placements or directives.
- Receipts, bills, cancelled checks and other evidence of expenditures demonstrating personal attachment to a particular location, or, where applicable, to support of the student.
- Medical reports, counselor or social worker assessments, employment documents, benefit statements, and other evidence of circumstances demonstrating, where applicable, family or economic hardship, or temporary residency.
- Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, guardian, person keeping an "affidavit student," adult student, person(s) with whom a family is living, or others as appropriate.
- Documents pertaining to military status and assignment.
- Any business record or document issued by a governmental entity.
- Any other form of documentation relevant to demonstrating entitlement to attend school.

Please Note: The forms of documentation may demonstrate your student's eligibility for enrollment in the district. The totality of information and documentation you offer will be considered in evaluating an application, and, unless expressly required by law, the student will not be denied enrollment based on your inability to provide certain form(s) of documentation where other acceptable evidence is presented. You will not be asked for any information or document protected from disclosure by law, or pertaining to criteria which are not legitimate bases for determining eligibility to attend school. You may voluntarily disclose any document or information you believe will help establish that the student meets the requirements of law for entitlement to attend school in the district, but we may not, directly or indirectly, require or request: income tax returns, documentation/information relating to citizenship or immigration/visa status or social security numbers.

If the student's parents are domiciled in different districts, regardless of which parent has custody, please provide a copy of a court order or written agreement between the parents of the student designating the district for school attendance.

If the student resides with a Berlin Township School District resident (other than a parent or guardian), please provide ALL of the following:

- Student Residency Form (included in this registration packet).
- A sworn statement from the student's parent or guardian, together with documentation to support its validity, that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the Berlin Township School District resident solely for the purpose of receiving a free public education.

- A sworn statement from the person keeping the student that he or she is domiciled within the school district, is supporting the child without remuneration and intends to do so for a time longer than the school term, and will assume all personal obligations for the student pertaining to school requirements *and* a copy of his or her lease if a tenant, a sworn landlord's statement if residing as a tenant without written lease, or a mortgage or tax bill if an owner.

Please Note: A student will not be considered ineligible because required sworn statements(s) cannot be obtained, so long as evidence is presented that the underlying requirements of the law are being met. A student will not be considered ineligible when evidence is presented that the student has no home or possibility of school attendance other than with a non-parent district resident who is acting as the sole caretaker and supporter of the student. A student will not be considered ineligible solely because a parent or guardian provides gifts or limited contributions, financial or otherwise, toward the welfare of the student, provided that the resident keeping the student receives no payment or other remuneration from the parent or guardian for the student's actual housing and support. Receipt by the resident of social security or other similar benefits on behalf of the student do not render a student ineligible. It is not necessary that guardianship or custody be obtained before a student will be considered for enrollment on an "affidavit" basis.

2. DOCUMENTATION OF RELATIONSHIP TO STUDENT

- Parent – Provide a certified copy of the student's birth certificate (within thirty days of registration)
- Legal Guardian – Provide official records appointing the student's legal guardian
- Foster Parent – Provide official records from the agency appointing the student's foster parent
- Domicile Affidavit (signed by Berlin Township resident)
- Affidavit of Non-Support (signed by Parent – corresponds with above)

3. DOCUMENTATION OF GRADE PLACEMENT

Please provide one or more of the following items as documentation of grade placement:

- Transfer Card
- Current Report Card
- Official Transcript

Please Note: Absence of a student's prior educational record does not affect a student's eligibility to enroll in school, although the initial educational placement of the student may be subject to revision upon receipt of records or further assessment by the District.

4. DOCUMENTATION OF HEALTH

Please provide one of the following items as documentation of health:

- Immunization Record
- Religious Exemption Letter

Please Note: Absence of student medical information does not affect a student's eligibility to enroll in school, although actual attendance at school may be deferred as necessary in compliance with rules regarding immunization of students.

Any person who fraudulently allows a child of another person to use his residence and is not the primary financial supporter of that child AND any person who fraudulently claims to have given up custody of his child to a person in another district commits a disorderly person offense. It is illegal for any person to make a false statement on this form in an attempt to cause the Berlin Township School District to provide a free education to a person under false pretenses. It is illegal for any person to offer a written instrument that contains a false statement or false information to the Berlin Township School District in an attempt to secure a free education.

Medicaid Notification

Regarding Parental Consent

Background: The State of New Jersey has participated in a Federal program, Special Education Medicaid Initiative (SEMI), since 1994. The program assists school districts by providing partial reimbursement for medically-related services listed on a student's Individualized Educational Program (IEP).

The SEMI program is under the auspices of the New Jersey Department of the Treasury through its collaboration with the New Jersey Department of Education and New Jersey Division of Medicaid Assistance and Health Services. In 2013, the regulations regarding Medicaid parental consent for school-based services changed. Now the regulations require that, prior to accessing a child's public benefits or insurance for the first time, and annually thereafter, school districts must provide parents/guardians written notification and obtain a one-time parental consent.

Is there a cost to you?

No. IEP services are provided to students while at school at no cost to the parent/guardian.

Will SEMI claiming impact your family's Medicaid benefits?

The SEMI program does not impact a family's Medicaid services, funds, or coverage limits. New Jersey operates the school-based services program differently than the family's Medicaid program. The SEMI program does not affect your family's Medicaid benefits in any way.

What type of services does the School-Based Services program cover?

- Evaluations
- Speech Therapy
- Occupational Therapy
- Physical Therapy
- Psychological Counseling
- Audiology
- Nursing
- Specialized Transportation

What type of information about your child will be shared?

In order to submit claims for SEMI reimbursement, the following types of records may be required: first name, last name, middle name, address, date of birth, student ID, Medicaid ID, disability, service dates and the type of services delivered.

Who will see this information?

Information about your child's special education program may be shared with the New Jersey Division of Medicaid Assistance and Health Services and its affiliates, including the Department of the Treasury and the Department of Education for the purpose of verifying Medicaid eligibility and submitting claims.

What if you change your mind?

You have the right to withdraw consent to allow for Medicaid billing at any time by contacting the school in which your child is enrolled.

Will your consent or refusal to consent affect your child's services?

No. Your school district is still required to provide services to your child pursuant to his or her IEP, regardless of your Medicaid eligibility status or your willingness to consent for SEMI billing.

What if you have questions?

Please call your school district's Special Education department with questions or concerns, or to obtain a copy of the parental consent form.

Special Education Medicaid Initiative (SEMI) Parental Consent form

Our school district is participating in the Special Education Medicaid Initiative (SEMI) program that allows school districts to bill Medicaid for services that are provided to students.

In accordance with the Family Educational Rights and Privacy Act, 34 CFR §99.30 and Section 617 of the IDEA Part B, consent requirements in 34 CFR §300.622 require a one-time consent before accessing public benefits.

This consent establishes that your child's personally identifiable information, such as student records or information about services provided to your child, including evaluations and services as specified in my child's Individualized Education Program (IEP) (occupational therapy, physical therapy, speech therapy, psychological counseling, audiology, nursing and specialized transportation,) may be disclosed to Medicaid and the Department of the Treasury for the purpose of receiving Medicaid reimbursement at the school district.

As parent/guardian of the child named below, I give permission to disclose information as described above and I understand and agree that Medicaid may access my child's or my public benefits or insurance to pay for special education or related services under Part 300 (services under the IDEA).

I understand that billing for these services by the district **does not** impact my ability to access these services for my child outside of the school setting, nor will any cost be incurred by my family including co-pays, deductibles, loss of eligibility or impact on lifetime benefits.
