

Important Update – 9/16/2018

Dear Parents/Guardians,

As you are aware, one of the DDE staff members, Jonathan Liano, was arrested Friday, Sept. 14, 2018. The district was notified of this arrest on Saturday morning, Sept. 15, 2018 by Berlin Township Police Chief Len Check, at which time Mr. Liano was placed on administrative leave effective immediately.

When students return to school on Monday, Sept. 17, 2018, counselors will be available for students. We will proceed with the regular Monday schedule at JFK and DDE with all planned activities, including Picture Day at DDE.

The students and staff demonstrate their strength, kindness, and compassion each and every day. We, the Administrative Team of the Berlin Township School District, are confident that everyone in the Berlin Township School District Family, including parents, guardians, and other community members, will support each other during this difficult time.

If you have any specific questions or concerns about the Criminal Investigation of this event, please contact the Camden County Prosecutor's Office.

Thank you for your support of the students and staff during this time.
