

Negotiations Update
from the
Berlin Township Board of Education
January 24, 2018

The Board of Education negotiations team received the Fact Finder's Report in the matter of The Berlin Township Board of Education (Board) vs. the Berlin Township Education Association (BTEA) on January 3, 2018. We have reached out to the BTEA several times and are STILL waiting for the BTEA to get back to us (Board's Negotiations Team) to set a date to go over the Fact Finder's Report.

We hope to have the Fact Finder's Report added to the School District Website before the next Board meeting.

Thank you for your continued patience and support during this time.
