

John Mc Peak Library
Summer Reading Grades K-6
June 2019

Dear Berlin Twp Parents and Guardians,

Reading is an important part of everyday life. Just because it is summer, students should not put their books away! The more our students read, the better readers they will be.

We encourage you to visit the John Mc Peak Library this summer and participate in our summer reading program. The library directors look forward to helping you and your children select books that will be just right for them to read.

Students should feel free to select books that they can read with ease. It is most important that students are reading books and magazines that they enjoy.

Sign-up for the program begins June 18th.

Readers who join the program will receive bookmarks, reading logs and will receive small prizes when turning in your log. We will have a drawing at the end of the summer for the Grand Prize!

Remember, no matter how old your children are, everyone loves to be read to!

We hope you and your family will read many stories this summer and reap all of the wonderful benefits that reading has to offer!

Sincerely,

The John Mc Peak Library
