

Happy Summer!

PEACE would like to thank all of those who made the 2017-2018 school year such a success. With your contributions we were able to make some really awesome purchases for the Berlin Township Schools. Highlighted below are just a few of the amazing things we accomplished this year.

- Poster printer (located at DDE for use by both schools)
- Physical Education Equipment (able to use all year and promoted a more engaging experience for field day activities)
- Teacher Appreciation Breakfast (purchased from Ihop)
- Owl program for Kindergarten and Preschool (presented by Cedar Run Wildlife Refuge)
- Multiple dances for all grades
- 8th Grade Scholarships
- Aid provided for students with financial hardship

In addition to the traditional events and with all of your participation and help, we have laid out the following goals for the 2018-2019 school year:

- Playground improvements
- New and improved holiday shop
- New layout for Halloween Trunk or Treat
- Continued support of the teachers, staff and students

We sincerely appreciate all of the help from our parents and community and we would like to extend a special thank you to the following businesses for helping provide varying degrees of support through the year.
