

NETWORK/INTERNET ACCESS CONDUCT AGREEMENT

The attached policy of the Bethel Board of Education established certain standards for use of the school computer network and Internet services. As stated in the policy, every effort is made to ensure inappropriate material and information is blocked from access by students. However, students are responsible for using the technology appropriately and reporting any inappropriate material they may find to the teacher in charge.

The Bethel School District makes no warranties of any kind, expressed or implied for the service it is providing. The Bethel School District will not be responsible for any damages a user may suffer including the loss of data. The district will not be responsible for the accuracy or quality of information obtained through the Internet of school computer network.

All terms and conditions as stated in board policy are applicable to all users of the network. These provisions reflect an agreement of the parties and shall be governed and interpreted in accordance with the laws of the State of Oklahoma and the United States of America.

Please complete the remainder of this document and return it to the school office to allow student access of the school computer network and Internet.

I understand and will abide by the Bethel School District Network/Internet Policy. I further understand that any violation of the Network/Internet Policy is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges may be revoked and school disciplinary and/or appropriate legal action may be taken.
