Dear Parents,

The Binger-Oney Board of Education and Administration fully support our teachers and the work they do educating the students of our school district, and while no one wants a teacher walkout; the Board and the Administration will support our teachers.

However, the Binger-Oney staff has voted to be in session if a walkout should occur. We will send a delegate group to represent the Binger-Oney teachers at the State Capital.

We believe that the education of our children should be the highest priority of Binger-Oney Schools, the Legislature, and the Governor.

Therefore, The Board of Education and the Administration will support our teachers in the days to come as they continue to appeal to the legislature for adequate funding for schools and pay.

We appreciate your continued support of our students and staff.

Sincerely,

Tanae Rodriguez
