

INVITATION TO BID
BRADLEY COUNTY BOARD OF EDUCATION
WALKER VALLEY HIGH SCHOOL CAREER & TECHNICAL EDUCATION
SEPTEMBER 22, 2017

The Bradley County Board of Education is soliciting bids from qualified vendors for Agricultural Greenhouse repair for Walker Valley High School. Bids must be submitted in a sealed envelope plainly marked on the outside, "BID ON CTE REPAIR." Bids should be submitted to Susan Willcutt, Business Manager, Bradley County Board of Education, 800 South Lee Highway, Cleveland, TN 37311. Bids will be received until October 4, 2017, at which time all bids will be opened and publicly read aloud.

Bids must be submitted on forms provided with this invitation to bid. **Bids received for any reason after the bid opening time/date will be returned unopened.**

Any questions about the invitation to bid should be referred to Arlette Robinson, Career and Technical Education Director at 423-479-0458.

Site visit will be on Tuesday, September 26, 2017, from 2:00-3:30 p.m.

If you are providing a warranty, please be sure to provide details on the bid form. Bid prices shall be guaranteed for a period of at least 30 days after the bid opening date.

Substitutes of comparable quality will be considered but must be noted on the bid form.

The Board reserves the right to reject any or all bids, and to waive any formalities and informalities.

The Board reserves the right to use judgement factors in determining which bid is in its' best interest, and exercise of that judgment by the Board shall be final and binding upon all vendors submitting proposals.

Your signature on the bid form indicates that you have read and agree to the terms of this invitation to bid.

GENERAL REQUIREMENTS OF CONTRACTORS

1. Bids must be submitted on the required form provided in this bid package. Bids shall be submitted in a sealed envelope and clearly marked on the outside, "BID WALKER VALLEY HIGH SCHOOL CTE REPAIR."
2. The successful bidder(s) must be licensed to do business in the State of Tennessee.
3. The successful bidder(s) must furnish a Certificate of Insurance to the Board with a minimum coverage as follows (to be furnished prior to beginning project):
 - Worker's Compensation Statutory Limit (State Limit)
 - Comprehensive General Liability - \$500,000.00
 - Contractual Liability - \$500,000.00
 - Personal Injury - \$500,000.00
4. Structures must be repaired with comparable materials to existing structure to meet all applicable state and local codes and be approved by the State Fire Marshall.
5. All necessary permits and fees for surveys, licenses, site preparation, utility connections to comply with applicable state and local codes or statutes and other similar charges, including those required for transportation of the structure, will be the responsibility of the contractor.
6. The contractor shall be responsible for any loss or damage of or to any materials of work either delivered or completed at the site until such time and the project is fully completed.
7. The contractor will repair or replace any defect or faults that may occur either in materials or construction during the process of the work at no additional expense to the Board.
8. The contractor shall agree to indemnify and save harmless the Board against all claims, demands, suits, damages or sums of money to any party accruing the Board for loss of life or personal injury or property loss or damage which may be caused by reason of any defect, faults, or actions of the contractor or his employees during the progress of work.
9. The contractor shall remove all rubbish, debris and other visible objectionable material from the site prior to completion of the project.
10. The contractor is responsible for any and all damages to the equipment or facilities during the accomplishment of the work specified.
