

Did you know that your child can see a dental hygienist at their school with Community Health Center's Mobile Dental Services? Enrolling your child with Mobile Dental means they can receive routine dental services without having to take them out of school for an appointment. The dental hygienists in CHC's Mobile Dental Services are licensed, friendly, professional, and love working with students!

- Students enrolled with Mobile Dental receive the following services:
 - Routine dental cleaning
 - X-rays
 - Fluoride varnish
 - Sealants
 - Referrals
- Services are billed to insurance for students with state or commercial insurance.
- Without insurance, fees are \$30 for the cleaning, x-ray, and fluoride, and \$25 per visit for sealants.
- Enrolling in the Mobile Dental program is fast, easy, and secure. Visit www.sbhc1.com to enroll today! Paper forms are also available in the main office.
