The first semester of the 2018-19 school year has come to an end, and we are excited about 2019 in the Breckinridge County School District. As a new year begins, all of us in the school district remain committed to providing the very best educational services for our children in Breckinridge County. Communication is vitally important to ensure student success. Always know that your voice matters to us. You are always welcome to contact us and provide input about the education of our students. As a reminder, we will communicate about possible school cancellations as soon as possible. You can keep up with this news by tuning into 104.3, The River, following our School District Notify Me services, and by contacting the School District's Weather Hotline at 270-756-3125.

A Student-First School District- Breckinridge County

Our children in the Breckinridge County School District will remain the center of all we do in 2019. Ensuring that our children learn and grow into successful, life-ready graduates is our top priority. The Breckinridge County community rightfully places high expectations on our school district to ensure our children have unlimited opportunities to maximize their learning. In 2019, we will continue to focus on student literacy levels, work-based learning opportunities for students, and improving our children's overall education experience in the school district. Helping our students master content while developing life-ready skills, such as resiliency, initiative taking, teamwork, effective communication, and critical thinking is our goal. There is no opportunity for our students that we will not consider as a school district as we continue to allow our children to soar into the 21st century.
