

Selection Process of Students
Demonstrating Leadership Talent

Candidates should submit the following information that supports the leadership referral:

1. Resume MUST include documentation of willingness (being prepared; readiness) of the student to assume leadership roles
 - in class
 - student organization
 - community activity
2. An original essay by the applicant, describing his/her leadership qualities and why he/she should be selected for services in the area of leadership OR essay about a leader that the applicant admires. Included in the essay should be the leadership qualities this leader possesses and why these qualities are important in being a good leader.
3. A letter of recommendation from someone in the community. (Please ask the person writing the letter to give the letter to you in a sealed envelope. You may give the sealed letter to your classroom teacher or the GT teacher in your school).
4. Copies of any certificates or awards received by the student that would support the leadership referral.
