BOOK BAG - Choose a book bag that is lightweight and has adjustable straps. Some students choose to purchase book bags with wheels, but they are not necessary. The objective is to teach the students to be organized.

GYM BAG – A separate bag to carry gym clothes (should be small enough to fit into book bag).

LUNCH BAG – For students who will be bringing lunch to school every day, a separate bag to keep their lunch is needed. Students may leave bagged lunches in their lockers.

PENCIL CASE

MULTI-COLORED HIGHLIGHTERS – for Pencil Case

HANGING LOCKER SHELF (Five Star makes a good one) – No wire shelves should be used on the bottom of lockers – they cause the lockers to jam.

FLASH DRIVE – These are no longer necessary. Students will be using Google Drive to save/share their work.
