November 14, 2017

Dear Parents, Teachers and Students,

Recognition of outstanding educators through the Governor's Educator of the Year Program is especially significant because it involves all members of the school community to acknowledge excellence.

We invite parents, teachers and students to nominate one educator in our school for the honor of the school's Educator of the Year. We are seeking an educator who consistently demonstrates the ability to inspire a love of learning in students of all backgrounds and abilities. This educator should have knowledge of current educational topics and employ teaching and learning strategies that have impacted student achievement and professional learning at our school.

A nomination sheet can be found attached to this letter. Please nominate one teacher or educational services professional (i.e. Guidance Counselor, Nurse, Child Study Team member) and share your thoughts or reasons for nominating that special person.

Please return your nominations in a sealed envelope to the main office. The envelope should be clearly marked on the outside with:

EDUCATOR OF THE YEAR, ATTN: Dr. Jennifer Luff, Elementary School

-OR-

EDUCATOR OF THE YEAR, ATTN: Mrs. Kathleen M. Fox, North Middle School

Nominations should be returned to school on or before Friday, December 8, 2017.

A School Selection Committee will review your nominations.

We would like to thank you for taking the time to contribute to the success of this program and supporting the dedicated, innovative, and caring people in the education profession.

Sincerely,

Dr. Jennifer Luff, Principal
Brigantine Elementary School

Mrs. Kathleen M. Fox, Principal
Brigantine North Middle School
