

Dear Brigantine School Community:

Welcome back to another exciting year! I hope you enjoyed the warm, sunny days of summer with family and friends and that the children are ready to begin the 2019-2020 school year.

As we finalize the last of many summer projects in our school, we look forward to continuing our diligence in maintaining a safe, healthy school environment for all of our students and staff. If you are transporting your child to and from school, you will use the new Main Entrance at Door #1. We ask for your patience as we go through the first few weeks of school in establishing a traffic flow that is safe and orderly at this entrance. In addition, all parents and visitors must enter through Door #1 when entering and exiting the school at all times. You may park in the lot just outside this door in the designated area.

As we work together in meeting the needs of every student, your support throughout your child's journey becomes the most important component in the process. Please continue to be involved through our PTA, volunteering opportunities, and communication with your child's teachers. As always, the year promises to bring wonderful educational opportunities for the children of our community of which our entire staff is fortunate to be a part of.

Wishing a safe, successful school year for all!

Sincerely,

*Michelle M. Cappelluti*

Michelle M. Cappelluti, Ed.D.
