

National Junior Honor Society

On Friday, May 19th the Brigantine North Middle School will have their 20th National Junior Honor Society Induction Ceremony. The event will take place in the Middle School's auditorium at 7 pm with a reception to follow.

As this is our 20th year, all former members are invited and encouraged to attend this extra special event and be recognized.

Jen Daniels, the first Honor Society President and current Comcast Sports Anchor, will be the guest speaker.

We anticipate that many former members will attend and make this a special evening.

If you are planning to attend or have any questions, you can contact Larry DiGiovanni at the school 264-9505 or email ldigiovanni@brigantineschools.org
