

# Attention Parents of Preschool-Age Children

The Brigantine School District is excited to announce the possibility of full-day preschool for three and four-year-old children of the district.

In July, the New Jersey Department of Education announced the availability of Preschool Education Expansion Aid intended to increase access to high-quality preschool for three and four-year-old children. If awarded the funding, all district students meeting the age criteria are eligible to attend the full day program.

The full day program will begin on October 1, 2018 and will replace the existing half-day program.

Please stay tuned for more information.
