

Twin Valley High School Forensics Places 3rd in State Competition

On March 25, 2017, TVHS students Nathan Rife and Rachel Acosta, along with Coach Lisa Ward, traveled to Cloves Hill High School near Richmond, VA to represent TVHS in this year's state forensics competition. Third place Awards were given to this talented duo. Rachel and Nathan, only sophomores, competed in the Dramatic Humorous Duo Interpretation, with their rendition of Bible School Musical.

They were overwhelmingly received by their audience and were applauded by the judges for their professionalism and their ability to change vocals and body language for so many different characters in one piece. Congratulations, Rachel and Nathan!
