

# Hurley Elementary Middle School Takes a Stand Against Bullying

Omegaman's visit to Hurley Elementary Middle School continues to have an impact. The initiative to stamp out bullying is still being observed throughout the school. Omegaman encouraged every student to be a HERO-**H**elping **E**veryone **R**espect **O**thers. The students enjoyed the message and had an exciting time while learning about the value of respect, responsibility, and self-control. Hurley students continue to practice the attributes of real-life heroes daily as they stand up against bullying.

**"Be the H.E.R.O. in You!"**
