

TWIN VALLEY HIGH SCHOOL

Twin Valley High School journalism students produced the first edition of The Panther Times just in time for Thanksgiving break! The students were well prepared and did an outstanding job. This first edition included upcoming events and important dates as well as an interview and cast listing of the TVHS Drama Team who performed the play “Hocus Pocus”. JT Harman contributed an article which interviewed players and fans about the kick-off of boys and girls basketball season, while Brianna Vazquez provided a list of Thanksgiving fun facts. Aylin Ashton worked hard to find the perfect Thanksgiving treat recipe, and Paige Allen along with Kimberly Lester created a “Did You Know?” column. The edition also included interviews from students who participated and helped organize the TVHS blood drive (which was a huge success), a basketball schedule, and a Thanksgiving word search and Sudoku.

TVHS journalism staff are excited about this endeavor and are working hard to produce edition number two! It’s been a great learning experience for them!
