Zarqa, Jordan With population over 1 million, Zarqa is the largest industrial city in Jordan. AAJ offers the only English-based education in the area. Only 40 mins Northeast of Amman, Zarqa is a wonderful and safe introduction to Middle Eastern culture.

Vision AAJ seeks to establish a network of international K-12 schools throughout the Middle East. Join our concept school in Zarqa, Jordan. We bring education with enthusiasm, teaching positive values throughout all.

Looking Ahead AAJ is in its fourth academic year of operations and is growing quickly! Next year we will provide education KG through 7th grade. Each year we plan to increase classes and grade levels to meet the community needs for a complete K-12 international school program.

Cambridge Primary

American Academy Jordan holds accreditation through the British Council.
