Please note that students are **NOT REQUIRED** to **PURCHASE** these novels; however, they are required to **read** them over the summer. These novels may be checked out from any public library, borrowed from a friend, or purchased from another vendor. Many times children prefer to highlight as they read, and that can only be done with a personal copy. Additionally, purchases made for Nooks, Tablets or other online reading will also count toward CISD credit. Sales credits go toward a Barnes and Noble gift card used in all CISD Library Media Centers. Summer Reading Assignments will also be posted on the campus and district websites, and for those of you participating in the District communication portal, **Living Tree**, I will send a notice through that site as well.

I hope this opportunity helps you and your child get a head start on his or her summer reading fun! If you have questions, please don't hesitate to call. Thank you!

Yours in education,
