

STORM ROUTES

2016-2017

In order to assure student safety, Calhan School District will implement “Storm Routes” again this year for use on days when dirt roads are impassible but the pavement is safe to drive on. Parents will be alerted on the TV and Radio as well as receiving phone calls from the reverse calling system, just as they do for snow days, only the message will be that Calhan School is running storm routes. On these days, we will run buses only on paved roads. Please bring your child to the listed bus stop that is nearest your home. If the designated time is an issue, you are welcome to meet the bus at another listed location, however, you will need to meet the correct bus in the afternoon in order to pick up your children. Keep in mind that these times are approximate. While we will do our best to keep to this schedule, please be flexible and make allowances for road conditions. Because of this, **please DO NOT leave your child at the bus stop**; wait for the bus to arrive to pick up your child. Be sure to leave room for the bus to park when it arrives. In the afternoons, please be at the stop several minutes ahead of the estimated drop time. The bus cannot safely wait on the road for parents to arrive. The routes are designed so that no students cross the road, often when we are in a storm route situation, we also have poor visibility. Please be parked on the correct side of the road to drop off or receive your students. We will plan to run the storm route morning and afternoon unless the conditions change greatly, in which case you will be notified again by our reverse calling system. You can find the list of stops for your child below. We do not list student names on the web site to protect your privacy. For any further information or clarification, please talk to your child’s driver or call Amie Waugh at 347-2766 x 299.

Rt. 1 (Dinosaur)

St. Mary’s Hall 7:20 / 4:20

Regular stops on Calhan Hwy.
