The Board of Education will maintain a policy to provide local Boards of Education coverage for a claim entered against any of its members or employees, or former members or employees. This policy is maintained through the NC School Boards Association and provides coverage for General Liability and Errors & Omissions.

The definition of member is as follows:

- a. School Board
- b. Board Members (individually and collectively)
- c. All employees
- d. Volunteers

**General Liability**

The Fund will pay on behalf of a member, damages resulting from any claim that occurred during coverage period for any bodily, personal or property damage injury within the scope of employment for the School District.

**Errors and Omissions**

The fund will pay on behalf of a member, damages resulting from any claim that occurred during coverage period for any wrongful act that occurs within the scope of employment for the School District.

This coverage is provided on a claims made basis.
