

CASWELL COUNTY SCHOOLS BOARD OF EDUCATION POLICY	<u>FACILITIES</u> Naming New Facilities	810
---	--	------------

The Caswell County Board of Public Education will name all buildings and facilities. At its discretion, the Board will obtain whatever input is appropriate.

It is not the practice of the Caswell County Board of Public Education to name a facility for a living person; however, the Board may consider naming a building or facility for an individual who has made a significant contribution to the School System.
