

CASWELL COUNTY SCHOOLS BOARD OF EDUCATION POLICY	<u>AUXILIARY</u> Use of Private Vehicles to Transport	905
---	--	------------

The Caswell County Board of Education discourages the use of private vehicles for school use, unless this is the only practical way of transporting students and staff. The Caswell County Board of Education assumes no liability for the use of private vehicles in transporting students or school personnel.

This policy does not prohibit parents or legal guardians from transporting their own children for school sponsored events, subject to the principal's approval. Parents and/or students who arrange transportation for themselves, their student, or other students assume the risks inherent in driving, and the Caswell County Board of Education will not be liable in any way for any claims arising from such transportation.
