to Students / Households at:

Dillard Middle School
Bartlett Yancey High School

STUDENT MEAL CHARGES

Caswell County Schools Child Nutrition Program allows students to charge meals because good nutrition is essential to learning.

We understand that sometimes students forget or lose their meal money.

As we are a non-profit agency, we expect and depend on our students to pay for any meals that have been charged during a school year.

Please be advised:

The student/household will be contacted until payments are received.

Menu options for students owing excessive meal charges may be limited to alternate food choices.
