BPS Second Grade Math & Read

Parents,
Math fact fluency is a critical skill in second grade. It is crucial that students are fluent with addition and subtraction facts to 18, as it will enable them to focus on gaining a deeper understanding of math concepts. Students have built a foundation of math facts in first grade. Please practice addition and subtraction facts to 18 weekly.

Reading is also very important to your child’s development. Please encourage your child to read this summer. It is equally as important for your child to be read to. Here are some books suggestions for your summer reading fun. Read on!

Book Titles:
• Magic School Bus Books
• Berenstain Bears Books
• Amelia Bedelia Books
• Chair for My Mother
• Frog and Toad Together
• Frog and Toad are Friends
• Days with Frog and Toad
• The Day Jimmy’s Boa Ate the Wash

Open House for upcoming 8th graders will be held Tuesday, August 7th from 4:00 – 6:00 p.m.

At Open House you may pick up your child’s schedule, meet teachers, pay locker fees and supply contributions, pay on your child’s lunch account, and find out which bus your child will ride.

Supply fees are as follows:

- Locker: $15.00
- Agenda: $ 5.00
- Math Fee: $ 5.00
- Science Lab Materials: $10.00
- Social Studies Fee: $ 5.00
- Language Arts Fee: $ 5.00
- Connections Supplies: $10.00 (Band, art, drama, technology, home economics, computer keyboarding, and PE)
- Total Fees: $55.00

Payments: Your child’s full name and your telephone number should be on each check. Cafeteria payments may not be combined on a check for anything else you pay to the school because the school and cafeteria do not use the same bank. We cannot accept any check written in excess of $300.00, nor can we give change from a check. All checks must be written for the exact amount due. Catoosa County Schools has contracted with an outside agency for electronic collection of checks returned for insufficient funds. The agency will automatically charge a fee to your bank for each returned check.

Cafeteria Prices: Breakfast $1.30  Lunch $2.55

Applications for free or reduced price meals will be mailed to each household this summer.

The first day of school is Wednesday, August 8th. The school building will open at 7:00 a.m. Upon arrival to school 6th grade students will report to the auxiliary gym. 7th and 8th grade students will report to the main gym. Breakfast will be served beginning at 7:15 a.m. Students arriving after 8:00 a.m. are counted tardy. Dismissal bell will ring at 3:20 p.m. (It will take a few mornings for traffic flow to become “normal”. For this reason, we will not count students tardy due to traffic the first week of school.)

Supplies: Each team of teachers has a separate supply list, which will be available at open house. Do not worry if you don’t get all the supplies purchased before the first day of school. Basic supplies (pens, pencils, notebook paper, etc.) will be sufficient for the first week.

The following beverages are not allowed at school: sodas, energy drinks, coffee or teas.

Cell Phones: Cell phones at school must be turned off, kept on silent or used only at teacher discretion.

If your child becomes sick or injured at school, you will be contacted as soon as possible by our school nurse.

Medication: Forms are available in the main office for students who need to take medication at school.

Sign up for access for Parent Portal to view your child’s attendance, grades, and cafeteria balance.

Please see back of page for more information.

Important Immunization Information: We were recently notified by the Georgia Department of Public Health that immunization requirements have been revised. Beginning in the 2014-15 school year, students will be required to have one dose of Tdap (tetanus, diphtheria, pertussis) and one dose of Meningococcal conjugate vaccines prior to entering 7th grade. Because of this change all students entering 7th grade must have an updated immunization form #3231. Our nurses will be checking all current forms and sending out information to current 6th grade parents. The state will audit our 7th grade forms this fall. Although the immunizations are required for rising 7th graders (and new entrants into a Georgia school in grades 8-12) the Department of Public Health strongly encourages all middle and high students to obtain these vaccinations. As you make visits to your pediatrician or other health care giver between now and August, please keep these immunizations in mind and, when immunizations are given, ask for an updated form 3231 to provide to the school. If you have any questions, please contact our school nurse.
