PRE-REGISTRATION

IS NOW AVAILABLE ONLINE

Registering your child for a Catoosa County School?

Transferring from one Catoosa County School to another?*

Follow these easy steps:

- Visit https://registration.catoosa.k12.ga.us
- Set up a username and a password (please keep this information for your records as we cannot retrieve it).
- Complete the pre-registration process.
- Bring the required documents to Central Registration (located at 108 High Street, Ringgold, GA) where you will meet with the registrar and complete the process. At this time you will receive your enrollment for school.

Tips:

Keep track of your user name and password. The screens are saved as you complete each but if you don't complete the process you may log out and back in at a later time.

Have your child's previous school information (name, address, phone and fax numbers) available.

Have the names and phone numbers for your emergency contacts.

Have the names and dosages of any medications your child may take.

If you don't have internet available at home, stations are available in Central Enrollment for your use during office hours of 8:00 – 4:00 Monday through Friday.

*For students transferring from another Catoosa County school, a withdrawal will be required for the new enrollment. Obtain the withdrawal from the student's current school.
