

**RESOLUTION OF THE BOARD OF TRUSTEES OF  
CEDAR HILL INDEPENDENT SCHOOL DISTRICT**

**WHEREAS,** Recognizing our responsibility of Trustees of the Cedar Hill Independent School District, we believe that every effort should be made to conserve energy and natural resources. We also believe that their commitment will be beneficial to our students and taxpayers in prudent financial management and the saving of energy. The fulfillment of this policy is the joint responsibility of the trustees, administrators, teachers, students and the support personnel. Cooperation shall be experienced on all level for the success of this policy.

**WHEREAS,** The District will maintain accurate records of energy consumption and cost of energy on an annual basis. Information will be furnished to the media on the goal and progress of the Energy Conservation Program.

**WHEREAS,** In compliance with Senate Bill 12, as passed by the 80<sup>th</sup> Texas Legislature, the District sets a goal to reduce its annual energy consumption by five percent each year for the next five years, beginning September 1, 2007. Reporting will be in accordance with House Bill 3693.

**WHEREAS,** An energy audit will be conducted annually at each campus and recommendations will be made for updating the energy program. Energy conservation guidelines and procedures will be reviewed and accepted or rejected by the Board of Trustees.
