The Board of Education met at 7:00 p.m. on March 16, 2017, for their regular meeting at Central High School located in Camp Point.

Following the prayer and pledge, President Lee called the meeting to order. Guest present: John Blewett, Ryan Buhler, Les Clampitt, Alison Dickhut, Chad Flesner, Amy Hildebrand, Lisa Litchfield, Matt Long, Keith Miller, Greg Moore, Jerry Nall, Matt Paben, Deb Rhea, Aaron Stephens, Gene Welty, Tyler and Zakila Wiskirchen. President Lee asked if there were any questions and/or comments from the public.

Ryan Buehler, Tyler Wiskerchen, Greg Moore, Keith Miller, Les Clampitt, Jerry Nall, Aaron Stephens spoke to the board in support of possibly expanding co-op agreements with Southeastern.

Deb Rhea, John Blewett, Chad Flesner, spoke to the board in opposition to expanding co-op's and encouraged the board to keep Central's current sports programs as is.

Matt Paben asked the board to not enter into any new agreements. He felt that we should only consider a co-op if the enrollment numbers for that sport dropped to the point the program could not sustain itself.

Amy Hildebrand spoke from her past experience in softball. She saw the number of athletes from Southeastern drop considerably during the past co-op agreement for her softball program. After the co-op ended, both schools were able to field competitive numbers for their programs. She asked that all people consider whether the focus for all co-op's should be based on "Opportunities" or "Hardware" when considering any possible co-op expansion.

President Lee thanked the public for their comments and told all in attendance that their input would be taken into consideration as the board makes decisions on co-op's within the next two months.

The current agenda was approved.
