To enroll your child in the Cheatham County School District, you will need the following items in addition to the forms on this link. When you have all of these items, you can call 615-792-5664 and let the person answering the phone know that you need an appointment to enroll your child.

Items needed:

- 3 current proofs of your residence: (Lease, utility bills, car registration, driver's license, or something official) No junk mail will be accepted.
- Child's birth certificate
- Child's social security card
- Child's immunization record showing a current, within the year, physical. (If you are coming from out of state, this record must be transferred to a Tennessee record and the child must have a physical.)
- Custody papers (If guardians are not the parents or if parents are not married and living together, we must have a copy of the current custody papers.)
- High school students need their transcript from the previous school.
