

Chester County School Nutrition Program
2013-2014 Charge Policy

A student or an adult may charge meals on emergency basis for a maximum of five (5) days at East Chester, West Chester, Jacks Creek, Middle School and Junior High School. A maximum of three (3) days may be charged at Chester County High School. After the maximum days of charging, notes will be sent home to the parent/guardian or adult requesting payment. Additional attempts to collect payment will be made each week by mail from the schools or phone calls from Central Office as needed. All charges not collected will be reconciled and paid in full at the end of each school year by the Chester County Board of Education.

Chester County students will not be offered an alternative meal or refused a full meal at any time.
