FOR USE OF SCHOOL SYSTEM COMPUTERS AND INTERNET ACCESS**

**CHILTON COUNTY BOARD OF EDUCATION  
Clanton, Alabama**

.....

As a user of computer network and networked information resources in the Chilton County School System, I hereby acknowledge that I have read the provisions of the technology policy. I also hereby agree to comply with the School System's guidelines for communicating over the network in a reliable fashion while honoring all relevant laws and restrictions.

As a parent/legal guardian of the minor student signing above, I grant permission for my son/daughter to access networked computer services such as electronic mail, the Internet, and online testing. I understand that individuals and families may be held liable for violations. I understand that some materials on the Internet may be objectionable. I accept responsibility for guiding my son's/daughter's use of the Chilton County School System's computer network and for setting and conveying standards for him/her to follow when selecting, sharing or exploring information and media.

Parent/guardian is responsible for lost or damaged technology devices issued to his/her child. Failure to pay the School system for a lost or damaged device will result in non-issuance of other technology devices to the individual student. In order to protect the educational interest of students, lost or damaged devices must be paid for within five (5) school days or a later date based on the discretion of the principal.

From time to time, the school may wish to publish examples of student projects, group photographs, and other work on an Internet accessible World Wide Web server. I understand that pictures used on the Chilton County School's website will include students when they are involved in projects, when they are in large groups, or when their student group receives recognition. The use of student photographs on the web site will include the use of first name/last initial only. Parents/guardians who do not want their child's picture or selected school materials published on the school or district's website must notify the school in writing.
