

COUNTDOWN TO COLLEGE

August 28, 2018

6:00 pm – 7:30 pm

Jefferson State Community College – Clanton Campus

Chilton County Schools with Potential Magazine will offer a FREE "Countdown to College" workshop to parents and students in grades 9-12 to help them learn more about the admissions process and covering college costs.

There will be a panel of representatives from several colleges that will discuss what you need to know about the admissions process. The speakers will be followed by a Q&A session where you can get all of your questions answered. Before and after the discussion, you will have the opportunity to visit tables to speak with the individual college representatives and receive materials to take home.

Here are the topics that are usually covered during the workshops:

- * Finding Scholarships
- * Preparing for College
- * Understanding the Admissions Process
- * Maximizing Financial Aid
- * Reducing College Costs
- * Pros and Cons of Greek Life
- * Athletic Scholarships and Recruitment Process

Parents and teens 9th-12th grades are encouraged to attend. We look forward to seeing you there.
