

Child Find

Public Notice

The Chilton County Board of Education has Child Find procedures in place to ensure that all children within our jurisdiction, ages birth to twenty-one, are identified, located and evaluated, regardless of the severity of the disability. Child Find procedures also apply to students who reside within our district who are enrolled in private schools, who are highly mobile, or who are suspected of having a disability even if they are progressing from grade to grade. For more information, call the Chilton County Board of Education, Special Education Department at (205) 280-2907.
