

## Destruction of Records

### Public Notice

If you exited from a Chilton County school in the spring of 2015 and received any type of special education services (including gifted), you have the right to obtain your records with proper identification. After July 17, 2020, records will be properly destroyed according to State Department of Education guidelines. If you need additional information, please contact the Chilton County Board of Education, Special Education Department, (205) 280-2907.
