Dear Friends of Chilton County Schools,

The mission of Child Nutrition Program is to see that our 7,764 students are not just fed each day, but that they are nurtured through wholesome food, warm smiles, and caring servers. When that mission was compromised by our current policy, we sought to correct this problem by rewriting the policy to ensure that all students would be fed at any time, regardless of their ability to pay. In doing so, we decided to create a service that would allow us to have funds from external sources to cover any meal that may need to be charged at any time, by any student. This wonderful resource will allow us to stay compliant with the USDA, the Alabama State Department of Education, and our local board policy while also allowing us to carry out the mission of our program. How can you help? We are asking friends, supporters, and church families of our students and faculty to help us out by giving whatever they can to build this account. The money will be used to cover charges that students will pay back. If the student can't repay the money, the debt will be forgiven at the end of the school year. The Child Nutrition Program will be the steward over the funds. It is our greatest desire to see our students cared for each and every day because we know that hungry students can't learn.

Thanks so much for helping us in this endeavor.

Please let us know how you can help:

\_\_\_\_\_ (organization/church name) will help the 7,764 students of the Chilton County School System by providing \$\_\_\_\_\_ to the Meal Fund. This gift will be given every\_\_\_\_\_ (frequency) because we know that we can make a difference in the lives of our students by making sure they get a nutritious meal EVERY day, regardless of their ability to pay.

Thank you!!
