Stewart G. Beard, Jr.  
Superintendent of Education

Dear Parents or Guardians,

The Choctaw County School District in an effort to comply with the school district's Majority to Minority Policy is in the process of gathering information to help determine our district's transportation needs. The Choctaw County School District will provide transportation for Majority to Minority students for the 2018-2019 school year. If you are interested in taking advantage of this opportunity please contact the superintendent's office and request in writing that your student would like to become a Majority to Minority student if space at the desired school is available ***no later than June 1st 2018***. For those students that have already been approved as a Majority to Minority student please know that transportation is available but you will still need to contact the superintendent's office so that we can get an accurate count of students for buses. Please note the Choctaw County School District Majority to Minority Policy at the bottom of this letter to see if your student may qualify for this opportunity. We hope that all students have a fun and safe summer and we look forward to seeing each of you next school year.

Sincerely,

Stewart G. Beard Jr.

## Majority to Minority Transfer Policy

A student may elect to transfer from his or her assigned school in which his or her race is in the majority, to a school in which his or her race is in the minority, and the District shall provide transportation for the student to and from the school from which the student transfers. The District may refuse a request for majority-to-minority transfer by a student to any school where classroom space is not available for that student.

Currently enrolled students must submit requests for majority to minority transfer by June 1 of each year. Any student who enrolls after the school year has begun may submit a majority-to-minority transfer request within (10) ten days of enrollment.
