

We will meet twice a month (or weekly, depending on what we're trying to get finished)
Mondays after school
3:00-4:15ish

Art Club will be open to any interested and available students from grades 5-8.

Please email Miss Saint at sstamand@cks-indy.org if you have a student interested in art club.

Please keep in mind that Art Club is for students who are interested and invested in exploring new artistic pursuits. It is important that space is available for the safety of our students and our artwork. Unfortunately, our club will have a maximum number participants of 20. If a student's behavior is ever a problem during Art Club time, Miss Saint has the right to ask a student not to return.
