

Technology Acceptable Use Policy Community Members/Guests Christian County Public Schools

I understand the terms and conditions to access and for use of the Christian County Public Schools Network (CCPSN) This can be found in the Christian County Public Schools Policy (policy No. 08.2323). I agree to follow the acceptable use of the network and proper network etiquette. I understand that I am responsible for my own personal behavior using the Christian County Public Schools electronic resources, including but not limited to the wide area network and the internet and email.

CCBOE Guests are responsible for their behavior on the CCBOE network. Communications on the network are often public in nature and the general district rules for behavior and communications apply.

The network is provided to conduct Christian County Public Schools business and communicate with others. Access to network services is given to community members or guests who agree to act in a considerate and responsible manner. Access is a privilege – not a right. Access entails responsibility.

Individual users of the district computer networks are responsible for their behavior and communications over those networks. It is presumed that users will comply with district standards and will honor the agreements they have signed. Beyond the clarification of such standards, the district is not responsible for restricting, monitoring or controlling the communications of individual utilizing the network.

Network administrators may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on district servers, school servers, and or workstations will always be private.

The following are not allowed as outlined in the Board policy no. 08.2323 :

- Sending or displaying offensive messages or pictures;
- Using obscene language;
- Harassing, insulting or attacking others;
- Damaging computers, computer systems, or computer networks;
