MESSAGE FROM THE SUPERINTENDENT

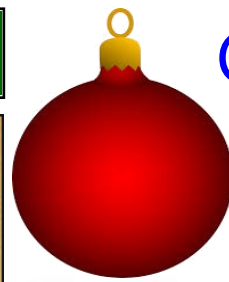

With the holidays upon us, so too comes the reminder to say thank you for the great work going on in this district! In this holiday of loving and caring, you prove daily that you care greatly for all our CCPS students and provide the gift of knowledge and support to approximately 9,000 students every day.

As you take time off to share the holidays with your own family and friends, may your home be filled with love and joy and hopefully, some rest and relaxation. Happy Holidays and a joyful New Year!

Student of the Month

Will Hartman, Hopkinsville Middle School

William Hartman is an 8th grade student at Hopkinsville Middle School. Will is involved in the HHS band, where he competed two years in a row at the state competition. Last year, the HHS Band of Tigers were named State Champions and this year the band received runner-up. He is the trumpet section leader in the HMS band and has proven vital to the success of the program. He plans to one day attend college and possibly work towards a degree in music education.

Will was recognized as the district's Student Spotlight of the Month. He was recognized at a recent school board meeting by board members and Superintendent Mary Ann Gemmill.

Student Wins State-Wide Essay Contest

5th grade student McKenna Fisher of Pembroke Elementary School was recently named and recognized as the winner of a state-wide essay. The contest was sponsored by the Family Resource and Youth Services Coalition of Kentucky. The theme of the essay was "The Time FRYSC Helped Me Succeed."

McKenna's essay will be poster-sized and on exhibit in Frankfort for all legislators to read. Congratulations McKenna, CCPS is proud of you!

meet the lead Lunch LADY

Penny Holt, new Foods Services Director for CCPS, shares her passion for clean eating, delicious food and keeping the customers happy.

Penny Holt, CCPS Food Service Director

Since beginning her new job in November, Ms. Holt has made it top priority to visit schools and meet as many staff members as she can across the district.

Ms. Holt replaces long-time director Sandra McIntosh who retired at the end of October. Ms. Holt has a degree in food service management and dietetics and holds more than 29 years of experience in her role as a Foods Services Director. Previously, she worked for Paducah Independent and Graves County schools. (continued at top)

"It's my goal to continue improving upon the nutritional quality of meals served to our students each day," says Ms. Holt. She adds that it's important to keep the customers happy, and by customers she refers to students who choose to eat breakfast and lunch provided by the school.

Ms. Holt's idea of "clean" eating comes from using limited to zero preservatives and additives in foods. "A big misconception of eating clean often means that foods won't be as delicious," she says. Meals appearing on the upcoming school menus will reflect that healthy foods can be every bit delicious.

You can try out one of Ms. Holt's recipes at home for a healthy way to enjoy Taco Soup. Ms. Holt can be contacted by phone at (270) 887-7009.

INCLEMENT WEATHER INFORMATION

JUST IN TIME FOR COOLER WEATHER!

HERE IS A HELPFUL OVERVIEW OF WHAT TO EXPECT WHEN WEATHER IS SEVERE ENOUGH TO POSSIBLY CANCEL OR DISMISS SCHOOL.

HOW IS THE DECISION MADE TO CANCEL SCHOOL DUE TO INCLEMENT WEATHER SUCH AS SNOW OR ICE?

Before making the decision to delay or cancel school due to weather, we rely on critical input from various sources, to include in-district, as well as outside agencies. We consult with our Transportation Department about road conditions throughout the day and into the night.

WHEN IS THE DECISION MADE TO CANCEL SCHOOL?

In the event that CCPS cancels or delays school (this can include early dismissal), the district's communications department is contacted immediately and information is shared with the public in a timely manner.

HOW WILL THE PUBLIC BE NOTIFIED OF THE DECISION TO CANCEL OR DELAY SCHOOL?

Any updates or changes to the regular school schedule will be communicated through multiple communication channels. For ways you can stay connected with CCPS and stay informed of inclement weather-related decisions, be sure to read the back page of this newsletter. Other ways to stay informed include the local radio, newspaper and TV media.
